Myrna Rae Hoehne

This document is to clarify any questions of legitimacy of the above named corporations and person known as Myrna Rae Hoehne.

Let me start by saying I have not only known Myrna Rae as a person, but as an amazing business operator for twenty seven years as of August 2026.

I can attest that every word on her MyrnaRae.com website is one hundred percent (100%) accurate as I personally have seen first hand her build one amazing company after another. She is truly, "TheEntrepreneursEntrepreneur"!

I can further state for the record tha Myrna has entrusted me with her massive portfolios comprised of original documents signed by every licensee and companies she has worked with.

As unique and unbelievable as it may seem, Myrna Rae has 'discovered several criminal enterprises during her entrepreneurial ventures which led her to working with the FBI, ISDOJ Washington, DC, Attorneys General in six states, local law enforcement and international agencies. I can further attest she has been working on a highly secretive project with different areas of federal law enforcement again.

One of the criminal activities involved a man by the name of Timothy P. McQuiston/Lucky Taco (Fox6Now - Milwaukee, WI) from Hustisford, Wisconsin. This and other amazing stories are in her business bio and they are each true as I have lived through them with her. Many of them are featured in her upcoming book, The Entrepreneur's Entrepreneur; 34 amazing, true, business stories.

I can also state that I have, over the course of the past month, sent via UPS over 150 pages of documents - evidentiary documents to the USDOJ AND THE FBI. I, AND MYRNA, HAVE THE PAID RECEIPTS. **These documents are so secretive she has not even shared their contents with me.** She gave me authorization to share this information in this document.
